FORM NEON LEASH

FEATURES

Whether it's dark, snow or hunting season, with Rukka Neon products your pet won't be left unnoticed. Products made of wide materials are pleasant to wear and reflective stitching makes them visible in the dark. Wide neon collar, strong Y-harness or leash makes your outdoor moments more visible!. You can trust the strong seams and fabrics to hold, even if something unexpected happens.

Caution!

As the composition contains fluorescent powder and we do not want to use hazardous chemicals - the colour may fade over time. When it gets wet for a longer period, product might bleed colour. You may not want to choose this product for white or light-coloured dogs.

FUN IN EVERY WEATHER

Rukka Pets garments and products are designed to provide comfort and functionality for your pet's daily activities in every weather. Our products are durable, practical and represent the well-known Finnish quality. And since dog owner's life is rarely all black and white, neither are our products. All Rukka Pets garments and products are designed to provide maximum comfort and endurance. That's the Rukka quality guarantee. Rukka Pets – from canine lovers to canine lovers. Have fun!
